Work experience

Growth Marketing Manager · Mindvalley

2021-10 – Present

Growth Strategy & Forecasting: Steer $15M/year paid budget across Meta, Google, Bing to hit CAC, ROAS, and retention targets.
AI & Automation for Growth: Use Claude Code, GPT, and automation stacks to simulate scenarios, automate reporting, and scale creative testing.
Incentive & Pricing Levers: Run simulations on pricing, promos, and upsells to identify growth levers driving acquisition and revenue.
Growth Experimentation: Own A/B tests end-to-end on creatives, funnels, and landing pages, from hypothesis to data-backed decision.
Funnel & CRO Growth: Optimize acquisition funnels and landing…
