Work experience

Senior Analyst · Goldman Sachs

2024-09 – Present

Led preparation of underwriting memoranda, financial models, and committee materials supporting global debt financing decisions across capital markets. Built valuation models (DCF, Comparable Company, Precedent Transactions) to assess pricing, credit quality, and transaction viability, improving deal evaluation accuracy. Engineered detailed credit risk reports analyzing leverage, cash flows, and projections, strengthening underwriting decision frameworks. Optimized portfolio monitoring by tracking loan exposures and credit performance, enabling proactive risk mitigation and…

Analyst - Debt Valuation Strategies · Wipro Ltd.

2023-09 – 2024-08

Built and maintained financial models evaluating investment returns, valuation assumptions, and scenario analysis for global stakeholders. Delivered quarterly valuation decks and analytical reports, supporting investor communication and corporate financial reporting. Performed variance analysis and financial projections, improving forecasting accuracy and strategic planning insights. Designed management presentations and earnings materials aligned with financial disclosures and reporting standards. Conducted ad-hoc financial analysis to support valuation strategy and investment…

Analyst · Evalueserve

2022-02 – 2023-08

Executed company valuations and transaction analyses using DCF, comparables, and precedent transactions for M&A and financing mandates. Built financial models and credit reports based on financial statement analysis, enabling data-driven investment decisions. Developed pitch books, industry reports, and valuation materials supporting deal origination and execution. Analyzed SEC filings (10-K, 10-Q, 8-K, 6-K) to extract financial and operational insights for transaction evaluation. Collaborated with global IB teams to support mergers, acquisitions, and capital-raising transactions. Achieved…

Intern · Cairn Oil & Gas, Vedanta LTD.

2021-06 – 2021-07

Supported financial analysis of Gas Sales Agreements and Take-or-Pay contracts, improving commercial decision support. Analyzed finance and sales data to identify operational insights and performance trends.

Intern · Nestle India LTD.

2020-08 – 2020-09

Conducted financial due diligence and benchmarking analysis supporting corporate finance initiatives. Evaluated lab performance metrics to enhance quality assurance across manufacturing units.

Intern · Stock Holding Corporation of India Ltd

2018-06 – 2018-07

Gained exposure to equity trading, depository services, and brokerage operations. Supported client servicing and settlement processes ensuring operational efficiency.
