Work experience

Designer & Photographer · Nhã Đạt - Residential Property Developer

2025-01 – Present

Concept and design of all campaign material for two residential developments - Ny'ah Phu Dinh, a 50-unit compound, and Villa Ny'ah: Instagram sets, PDFs, brochures, banners, posters, labels, backdrops, standees and display units.
Architecture, product and event photography; retouching, video editing and post for web, Facebook and YouTube.
Work alongside marketing to build 2D and 3D layouts for each channel.
Run and supervise production - direct contact with printers, colour control and finishing.
Organise, tag and maintain an image archive of roughly 10, 000 files; built an internal sales…

Agricultural trainee · Axel Månsson A/S - Denmark

2024-05 – 2025-09

16 months inside a high-technology Danish farming operation, working in English to international process and safety standards.
Shot photo, video and drone documentation of the production site; handled part of the record keeping and operational data logging.

Graphic Designer · Piramic Saigon

2022-01 – 2024-01

Graphic design and brand collateral; print file preparation and colour control before production.

Tile Mural & Print Designer · Đức Phát

2017-01 – 2022-01

Designed 3D tile murals and decorative wall panels for construction projects and high end villas.
Five years working close to the press and to material finishing - the foundation of how I control print colour today.

Photographer · Viễn Đông Wedding Studio

2017-01 – 2018-01

Studio and location wedding photography; retouching, editing and album delivery to clients.
