Work experience

UX/UI Design Intern · THD Cyber Security

2025-10 – 2025-12

Redesigned parts of a B2B cybersecurity company website, refining page layouts and content hierarchy.
Initiated and conducted a site-wide UX audit using heuristic evaluation and Google Analytics 4 data.
Compiled findings into a report and recommended priorities based on expected impact and implementation effort.

Communications Contributor · Youth Confessions · Ybox.vn

2023-01 – 2023-06

Selected and edited articles to meet editorial guidelines; coordinated with authors and published content on YBOX.
Designed cover images and article illustrations; helped shorten content and prepare visuals for Facebook.
