Work experience

Audience Operations Specialist · Confidential Advertising Technology Company

2025-10 – Present

Coordinate audience operations for multiple client accounts, keeping campaign requests, delivery timelines, and stakeholder updates organized.
Check data quality, maintain accurate delivery records, and resolve operational issues with internal teams and advertising partners.

Virtual Assistant and EHR Specialist · Bay Area Counseling and Consulting

2024-02 – Present

Maintain provider and patient trackers and review screening documentation for completeness and accuracy to support recurring compliance audits.
Coordinate appointments and EHR records in TheraNest while handling confidential client information and updates for leadership.

Executive Assistant · Lion Athletics

2024-02 – 2026-08

Ran client scheduling and membership administration, kept Monday CRM records current, and coordinated communications across coaches and clients.
Sent payment reminders and reengagement follow ups, supported event planning, and resolved day to day scheduling and customer inquiries.

Executive Assistant and Operations Coordinator · Paz Solar Solutions

2024-01 – Present

Built and cleaned an Indiana business prospect directory of 222 entries, then tailored outreach for local companies and potential EV charging partners.
Managed email outreach and follow ups through Monday CRM, including contact research, mail merge preparation, meeting requests, and response tracking.
Developed the company capabilities statement for use on its website and supported updates to email signature and business materials.
Coordinated discussions with EV charging providers, including AmpUp and AMPECO, and tracked meeting arrangements and next steps with company leadership.
Supported…

Airbnb Customer Support · Airnite Stays

2023-11 – 2025-10

Managed guest communication and reservation changes across Toronto and Niagara Falls properties, from prearrival inquiries through check out.
Coordinated housekeeping and maintenance requests, updated availability, and resolved guest issues promptly to keep stays running smoothly.
