Work experience

Founder & Head of Operations & Creative · Home bakery business

2024-01 – Present

Lead day-to-day business operations, overseeing order workflows, customer experience, production coordination, inventory and creative development.
Manage customized cake design from customer brief and reference images through design confirmation and production.
Develop and streamline SOPs for customer service and recurring operational processes.
Built an AI-assisted order dashboard to organize and monitor customer orders and reduce manual record-keeping.
Maintain business records using Excel, Google Sheets, Shopify and Bukku, including order and basic accounting information.
Coordinate…

Marketing Executive · GoodMorning Global

2020-03 – 2021-06

Responded to customer enquiries across e-commerce platforms, Facebook and Instagram.
Managed backend operations for e-commerce platforms, including WooCommerce.
Updated and maintained online product information and platform content.
Assisted with content creation and product photography.
Supported day-to-day e-commerce operations and digital marketing activities.

Founder & Operations Lead · Home bakery business

2020-01 – 2024-01

Handled order processing, customer communication, production coordination, purchasing, inventory, delivery arrangements and administration.
Maintained customer, order and inventory records using spreadsheets and digital tools.
Created practical SOPs and workflows to organize recurring tasks and improve operational consistency.
Managed e-commerce and social media activities alongside daily business operations.
Resolved customer and order-related issues independently while managing multiple priorities with minimal supervision.
