Work experience

Vice President, Consulting · 2X

2024-04 – 2026-09

Built and scaled 2X's newly launched Marketing Strategy Consulting Practice, defining the organizational structure, delivery model, and global collaboration model between US and SEA teams. Enabled the practice to become 2X's fastest-growing business unit, achieving 120% of its inaugural revenue target in 2024.

- Redesigned the consulting delivery model using proprietary methodologies, reusable knowledge assets, standardized playbooks and AI-powered workflows to transform consulting operations, increasing consultant productivity by 2x while reducing project delivery timelines by 30%.
- …

Vice President, Services · 2X

2021-10 – 2024-04

Established and led SPARK, an internal strategy team working across functions to diagnose operational bottlenecks, develop solutions and execute strategic growth and performance improvement initiatives.

- Built a presales and solutioning engine supporting a 20 person US sales organization with capacity models, resourcing plans, service design, and pricing structures that reduced proposal turnaround time by 25%.
- Designed a client onboarding and transition program that improved client retention by aligning presales solutioning with delivery operations.
- Developed new services, productized…

Client Success Director / ABM Lead · 2X

2018-09 – 2021-09

Responsible for strategic leadership of a portfolio of enterprise B2B clients, leading multidisciplinary teams comprising campaign specialists, content strategists, designers, marketing operations, and analytics professionals to deliver integrated ABM programs.

- Directed a portfolio of 6 enterprise accounts valued at $2.4M ARR, leading cross-functional teams of 30+ marketing professionals while achieving average 108% NRR.
- Co-developed standardized delivery frameworks with Practice COEs across ABM/ABX, Demand Generation, Marketing Operations and Analytics, improving delivery consistency…

Commercial Lead - eCommerce · FM Global Logistics

2017-11 – 2018-08

Led the e-Commerce team at FM Global Logistics, a public listed regional warehousing and logistics provider following their acquisition of Hubwire.
