Marketing Manager (HK & SG)

full time

Hiring: APAC Marketing Manager (Hong Kong)

We're looking for an experienced APAC Marketing Manager to drive regional growth across key markets, with a strong focus on communications, events and field marketing. This is a high-ownership role responsible for building and scaling our APAC marketing foundation.

This role is ideal for someone who understands the Hong Kong market deeply, combines strong strategic thinking with hands-on execution, and can navigate fast-paced, cross-functional regional environments effectively.

Key Responsibilities

- Lead end-to-end marketing initiatives across PR, content, campaigns, partnerships, and events.
- Build and lead executive, customer, partner, and community events to strengthen brand presence and ecosystem engagement.
- Translate global messaging into compelling local narratives and marketing assets that resonate with the market.
- Support market expansion and go-to-market initiatives in close collaboration with regional GMs and HQ teams.
- Partner cross-functionally with sales, product, partnerships, and global marketing teams to drive regional growth and execution.

Qualifications

- 10+ years of experience across marketing, communications, or related functions within B2B technology environments.
- Strong expertise in field marketing, PR, content development, ecosystem engagement, and integrated campaign execution.
- Solid understanding of product positioning, messaging, and enterprise go-to-market strategies.
- Prior exposure to AI, SaaS, cloud, or broader technology industries is highly preferred.

Language Requirements

- Fluent in English, Cantonese

Profile

- Highly self-driven with strong ownership
- Able to operate at both strategic and execution levels
- Comfortable working in ambiguity and building from 0 to 1
- Strong communicator with structured thinking and business acumen
